AT ASE YOU CAN:

✓ study for reasonable tuition fees and enjoy affordable living expenses;
✓ join our approx. 22,000 Romanian and foreign students;
✓ become one of our more than 300,000 graduates;
✓ study Romanian as a Foreign Language by joining the preparatory year, whatever Romanian university you choose to attend afterwards;
✓ be our full-time student, attending a Bachelor’s, Master’s or Doctoral study program in Romanian, English, French or German;
✓ come as a part-time student, through an ERASMUS exchange scholarship (we have nearly 180 bilateral agreements with universities from more than 40 countries);
✓ spend a couple of enjoyable weeks in Romania, by attending one of our summers schools;
✓ benefit from modern student facilities, such as: a library with 10 reading rooms; IT labs; free internet access and wireless network; sports centres; student dorms and cafeterias; several national and international student organizations;
✓ participate in and organize extracurricular activities: conferences and workshops, which all complement participants’ academic experiences, to offer students a more comprehensive view of various economic fields!

Why study in Bucharest?
First documented in 1459, the capital city of Romania has a lot to offer:
✓ historical sights dating as far back as the 1400s: the Old Royal Court, palaces, inns, the Fire Tower, the Arch of Triumph;
✓ famous architectural monuments: the Palace of Parliament (the second largest building in the world after the US Pentagon building), the Central University Library etc.;
✓ numerous museums, theatre halls, classical and modern music halls, exhibition centers;
✓ long-standing international film and music festivals;
✓ clubs, pubs, restaurants where you can taste traditional dishes from all over the world or participate in one of the beer festivals;
✓ gardens and leisure areas suitable for water sports and adventure parks, five football stadiums, amazing Air Shows at the Henri Coanda International Airport.

How to get to Bucharest
You can reach us by car, by train, by air or – if you come from a place in Europe – by bus. The “Henri Coanda” International Airport – OTP is Romania’s busiest international airport, with flights from/to all major cities around the globe. The airport is connected to the city by express bus services and by railway.

Explore Romania!
✓ Situated in Southeastern Europe, Romania is made up of roughly equal mountainous, hilly and lowland territories, so it’s up to you to choose between spending a weekend in the mountains or at the seaside, or joining a two-week trip around the country to see the most of it!
✓ Romania’s incredible scenery and natural ecosystems, unique architectural patterns and impressive historical vestiges have been recognized by the inclusion of over 25 landmarks from 7 different locations on the list of UNESCO world heritage sites.
